

Kim Howard

April 19, 1963 - August 6, 2014

Kim Howard, 51, passed away from a short battle with cancer on August 6, 2014.

Born April 19, 1963 in Logan Utah to Dean and Marilyn Stauffer Howard.

She graduated from Sky View High school and went on to obtain degrees from Utah State University and Brigham Young University.

Kim served a mission for the LDS church in the Dearborn Michigan mission. She was a member of the original staff of the Mount Timpanogos Temple. She enjoyed officiating there and in the San Diego Temple.

In her professional life Kim has had a number of careers, including teaching in high school, working in the software and publishing fields and her most recent challenge of web site analytics.

Kim never had children of her own, but she relished her role of "Auntie Kim". She has 4 nieces and 3 nephews along with the many children of her friends that she has claimed along the way.

Kim loved to travel and loved to see the US. She lived in San Diego, CA for a number of years where she loved the temperate climate. While she lived in California she made many friends that she cherished and loved to the end. These friends also comforted her.

As much as she loved the mild weather of California, Utah was still home. She moved back to American Fork so she could be closer to her parents and extended family.

Kim is survived by her parents, Dean Howard and Marilyn Stauffer Howard, her brother Dirk Howard (Tina) and her sister Kaye Frost.

Funeral services will be held at 11:00 AM on Saturday, August 9, 2014 in the Hyrum North

Stake, 245 North Apple Drive in Hyrum. A viewing will be held on Friday evening from 6:00 to 8:00 PM at the Allen-Hall Mortuary, 34 East Center Street in Logan, and prior to the services on Saturday at the Church from 10:00 to 10:45 AM. Interment will be in the Hyrum City Cemetery. Condolences may be sent to the family at www.allenmortuaries.net

“ I only knew Kim a short time and unfortunately it was when she found out that she had cancer, but she was such a sweet person. Even with all of the pain that she was in, she was thankful for everyone around her and all of the support that she was receiving. I wanted to make sure that she had a good support system for what I thought would be a long process, and she said she had "so many good friends and family that have been so wonderful to her". Rest in Peace sweet lady.

“ Dean and Marilyn
I'm so sorry that you lost your daughter Kim. I know what you are going through. My sweet wife LaDean of sixty years passed through the Vail Dec. 2012. I hope you two are doing well health wise. I'm coping through losing my eye sight but so goes life. I still remember our trips to Ogden for dinner at Utah Noodle. My how time passes when you're having fun.

“ I'm sorry that I won't be able to attend Kim's service, but I'll be there in spirit. Kim was family to all of us who worked with her at Numeric and she is sorely missed. I enjoyed getting to know Kim over the years and may she rest in peace. We are all better for knowing her.

“ From my very first day at work at Numeric Analytics, Kim reached out to me and offered a helping hand, and continued with a generosity of her time, energy, positivity and spirit that I have never found in a coworker in twenty years. Our friendship grew over the last couple of years and reached beyond work, however, our work time together provided the stage for fun times together, tackling client issues with creativity, humor, and sometimes all out panic, but always resulting in a high level of satisfaction for us and our customers.

Time after time, Kim covered for me when I or my family members were sick. She powered through even the most challenging projects on the most challenging days

and never asked for validation or sought compliments for her outstanding work. She was a daughter, a sister, a teacher, a student, a traveler, a thinker, a giver, a grounding force, a collaborator and a wonderful friend, consistently putting others before her with gratitude and pleasure, and it was my great honor to have her as my friend and coworker.

With much love and condolences to her family and friends,

Bernadette Sanchez
